Storytime with Gigi

Retell Gigi's adventure in your own words.

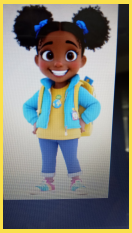

After watching an episode, tell the story back together:

1. Who did we meet at the yellow door?
2. What was Gigi waiting to do today?
3. What did Gigi count? Can you count it too?
4. Which colours did you see?
5. What new thing did you learn today?

Grown-ups: let your child answer in their own words. There are no wrong answers - every retelling builds memory, language and confidence!
